

MADRID, SPAIN

OMN WOMEN MISSION'S TRIP

March 17 - 24, 2024

Over the past 25 years, **Project Rescue** has impacted over 520,000 lives through our programs across 26 cities in 12 countries on three continents.

We are truly excited to partner with **Project Rescue** and AG Women's **Light the Way** project for this very special mission's trip to **Madrid, Spain** where we will have the opportunity to minister to women rescued from trafficking and aid the detection of women who are currently enslaved.
